LLOYDS TSB INTERNATIONAL EXPANDS CORPORATE PRODUCT RANGE

Caitriona Ledwidge is leaving behind Lloyds TSB International in the Isle of Man to join Lloyds TSB Middle East's main branch in Dubai.

From October onwards businesses in the Middle East will be able to receive a full offshore banking service.

Caitriona will introduce potential corporate customers to offshore corporate banking products and services offered by Lloyds TSB International in the Channel Islands & Isle of Man such as money market deposits and investment products. Caitriona will also facilitate payment requests and deal with general banking enquiries for Lloyds TSB International's corporate customers in the region.

"I am delighted to have the chance to relocate to Dubai, and provide Lloyds TSB's many corporate customers with this additional new offshore service. As well as helping our existing clients, I am looking to develop new relationships with businesses based in the region and potential introducers to the bank", Caitriona commented.

Caitriona joined Lloyds TSB in 2000. She has worked in various departments in offshore banking in the Isle of Man. Her transfer to Dubai comes as Lloyds TSB expands its corporate banking presence to meet the increasing demands of businesses in the Middle East.

Lloyds TSB Middle East already has a substantial presence in the UAE, offering a full range of local banking services for private individuals up to global corporations as well as offshore investment funds and international mortgages.
